

Officies finiting what constitutes a university in New York Stateany of you

provided your input on this proposed change directly to the Regents, and I want to thank you for your advoc also want to thank both the Faculty Senate for its support and advoced as those of you who provided input to usabout whether you thought Daemen should apply for a name change should the Regents approve the definition.

The Regents received verwhelming support for the proposeersion, and the prave officially approved the definition change effective
